RV AND Oversized Vehicle Parking On Campus

Parking oversized vehicles on campus is prohibited except as follows:

Oversized vehicles for the purpose of this section are defined as: overly large pickup trucks (those which would interfere with the movement of vehicles in the parking lot), box trucks, semi-tractor trailers, buses, motor homes, camping trailers, tent trailers and any other vehicle that will create undue congestion in campus parking lots due to its height or length, or which will not fit inside campus parking space lines.

Overnight Parking - as a general rule, overnight parking is not allowed anywhere on BYU campus. Specific exceptions may be made on a case by case basis by the University Police Parking Services Office.

Day Parking - oversized vehicles may park in lot 45 (West of the Lavell Edwards Stadium) against the west fence of the parking lot as long as the lot is not being used for an event or other activity that restricts the use of the lot. See required conditions, below.

Education Week - oversized vehicles may park in lot 37 (North of the Indoor Practice Field). Overnight parking should be avoided, if possible, but may be allowed from the Saturday prior to the start of Education Week through Saturday night at the conclusion of Education Week (eight [8] days total). See required conditions, below.

Women’s Conference - oversized vehicles may park in lot 37 (North of the Indoor Practice Field). Overnight parking should be avoided, if possible, but may be allowed beginning at noon of the Wednesday before Women’s Conference begins through Saturday night following the conclusion of the conference (three and one half [3 ½] days). See required conditions, below.

Event Parking - oversized vehicles are not allowed parking for events other than in lot 54 for home varsity football games. Refer to the section below for details regarding RV (oversized vehicle) parking for home football games. See required conditions, below.

Required Conditions - these conditions apply to any vehicle parked on BYU property at any time.

1) All vehicles must be maintained and the areas surrounding them must be kept free of litter, trash and valuables that may be stolen when left unattended.
2) No dumping of solids or liquids will be permitted. Any vehicle leaking fluids will be required to leave immediately.
3) Awnings and other attachments and accessories must be contained within the parking area and may not impede the driving lanes within the lot.
BYU announces new tailgating options for the 2014 football season

PROVO, Utah (Aug. 26, 2014) — BYU today announced revised tailgating plans for the 2014 home football season. In an effort to improve the tailgating experience at BYU, the new plan combines the RV lot with the regular tailgate parking (Lot 20) located directly north of the BYU Broadcast Building.

“The goal is to create a centralized location that gives Cougar Nation more space to enjoy the pregame tailgating experience with friends and family,” said BYU director of athletics Tom Holmoe. “It’s part of our continued effort to improve the game-day experience at BYU.”

Below are some details about the improved tailgating area in Lot 20. These tailgating policies apply only to Lot 20. Those interested in tailgating in other university parking lots (including the lots next to LaVell Edwards Stadium) must follow the policies found online at BYUtickets.com. For more details visit http://www.byutickets.com/lavell-edwards-stadium#parking.

Lot 20 Tailgating

Where: Located directly north of the BYU Broadcasting Building.

Availability: The lot opens at 6 a.m. on all home game days and will remain open until three hours after the conclusion of the game. It is first-come, first-served and there is no overnight parking.

Vehicle types: Cars, vans, trucks and motorcycles. RVs and other oversized vehicles will now be allowed to park in Lot 20 as long as they arrive at least three hours prior to kickoff.

Space: Tailgaters in Lot 20 are allowed two parking stalls per vehicle.

Type of cooking: Only propane and wood-pellet grills are allowed (no charcoal or wood fires)

Other details:
– A limited number of restrooms and trash bins will be provided.
– No alcohol, tobacco or illegal substances are allowed in the tailgate lot or on campus.
– No electrical or water hooks ups are available.
– No fireworks.
– No tent pegs or spikes.
– No pets.

Late arriving RV and oversized vehicle parking

There is an additional park lot for late arriving RV and oversized vehicles that do not arrive at least three hours before the game. This lot is located at 2230 North 150 East (Canyon Road), approximately three blocks north of LaVell Edwards Stadium. The lot is for parking only and is not meant for tailgating. There is no longer reserved parking available in this lot. It has limited space and is first-come, first-served. Guests must also be out of this lot at least three hours after the game. There is no overnight parking available on campus.
