PARKING OVERSIZED VEHICLES ON CAMPUS IS PROHIBITED EXCEPT AS FOLLOWS:

Oversized vehicles for the purpose of this section are defined as: overly large pickup trucks (those which would interfere with movement of vehicles in the parking lot), box trucks, semi-tractor trailers, buses, motor homes, camping trailers, tent trailers and any other vehicle that will create undue congestion in campus parking lots due to its height or length, or which will not fit inside campus parking space lines.

OVERNIGHT PARKING – as a general rule, overnight parking is not allowed anywhere on BYU campus. Specific exceptions may be made on a case by case basis by the University Police Parking Services Office.

DAY PARKING – oversized vehicles may park in lot 45 (west of Lavell Edwards Stadium) against the west fence of the parking lot as long as the lot is not being used for an event or other activity that restricts the use of the lot. SEE REQUIRED CONDITIONS, BELOW.

EDUCATION WEEK – oversized vehicles may park in lot 37 (North of the Indoor Practice Field). Overnight parking should be avoided, if possible, but may be allowed from the Saturday prior to the start of Education Week through Saturday night at the conclusion of Education Week (eight [8] days total).
